

Half Term Curriculum Overview

Year 1

English

In **English** this half term we will be exploring a number of traditional tales including Chicken Licken, The Magic Porridge Pot and Goldilocks and the 3 Bears. We will also be looking at the well-known texts We're Going on a Bear Hunt and Room on the Broom.

Reading: We will enjoy spending time in our reading areas reading books for pleasure. We will also have our weekly reading books that are matched to our phonics learning.

Writing: This half term we will be invited to Drawing Club to continue to develop our fine motor skills. We will be using the texts listed above to create images and write labels, captions and simple sentences.

History, Geography, Art and D&T

In **History** the question we are exploring is 'How has childhood changed?' We will be learning about what the word 'past' means. We will talk about how we have changed and we will be comparing pictures from the past and the present day. We will learning all about timelines and will be creating our own.

In **Art** we will exploring line and colour. We will be using different materials to create self-portraits.

Mathematics

In **Maths** this half term we will be learning about place value we will cover the following:

- Sorting objects
- Counting objects
- Counting in a large group
- Representing objects to 5 and 10
- Counting on from any number within 10
- Finding 1 more within 10

We also use the mastery number programme, this helps us to communicate mathematical ideas, subitise numbers, recognise numbers as well as help us with our number bonds.

Physical Education

This half term our indoor **PE** focus will be 'fundamental movement skills' and our outdoor focus is 'mutli skills activities.'

PE days will be Tuesday and Wednesday.

Science

In **Science** this half term we will be learning about our bodies. We will focus on naming the different parts of the body including our skeleton. We will also be exploring our 5 senses and how we use them.

RE

In **RE** we are exploring the story of Creation. Throughout the half term we will be sequencing and acting out the different parts of the story and understanding its importance.

Music

In **Music** this half term we will be focusing on listening to a variety of traditional nursery rhymes. Over the half term we will be learning rhymes that include number and counting.

Computing

In **Computing** this half term, we will be focusing on technology around us. We will develop our understanding of technology and how it can help us in everyday life.

Values

In **Values** this half term we will be learning about thankfulness and what it means to us. We will be exploring how this can be shown in and out of school.
