

# Home Learning Autumn 2

## Year 4

### English – Writing/ SPAG (Core)

The children will bring home a set of spellings in their spelling books, **every Friday** to learn. The children will then be tested on these on the following Friday. The children should not only know how to spell the words, but understand what they mean and how they would be used in a sentence.

### English

The children will always have a reading book to bring home. The children should be reading **at least twice a week** (this can be independently or with an adult), thinking about sounding out the words but also trying to understand what they are reading and discussing what they have read. This will be checked every Wednesday.

### Mathematics (Core)

The children should know their times tables and division facts off by heart and at speed up to  $12 \times 12$ . These will be tested **every Thursday**.

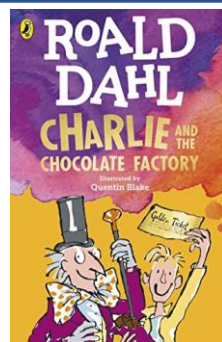

Additional homework related to the current maths unit may be given where the teacher sees a need.

### Science

In Science this half term we will be learning about **the Digestive System**. To deepen your knowledge and understanding, can you explore the web link? Perhaps you could create a poster about how our digestive system works!

<https://www.bbc.co.uk/bitesize/topics/zcyycdm/article/s/z8bntrd>

### Charlie and the Chocolate Factory!

### History

In History this half term we will be learning about The Mayans. Can you research from home who the Mayans are, how they impacted chocolate and where they live in the world? Perhaps you could create a leaflet to show the information that you have found and by watching the video.

<https://www.youtube.com/watch?v=NTCSTUfRTMA>

### Art

In Art this half term we will be looking at how to use Modroc to create a Mayan Mask. Can you find out what a Mayan mask looks like and how it is designed? Can you research more about when they wore the mask and why? Perhaps you could draw and plan your own Mayan mask using the web link below.

- **You must complete** all the core activities above (Mathematics and English).
- The other suggested home learning activities are optional.
- We would love to see some of the projects that you have worked on at home when you have completed them! Either bring your project to school to show your class or pop a photo of it on Class Dojo.

### Mayan Masks!
