

Half Term Curriculum Overview

Year 4

English

In **English** this half term all of our learning will be based around the text 'The Railway Children' which links to our History topic.

In **Reading** we will be revising our retrieval skills based on a range of different texts and developing our inference skills further.

In **Writing** we will be writing a letter and a setting description.

Physical Education

In **PE** this half term we will be focusing on gymnastics.

Your PE days will be **Monday's** so please wear the appropriate kit.

Music

In **Music** this half term we will be learning all about rap focusing on the song Stop!

History and D&T

In **History** this half term we will be learning about The Railways. We will be looking the history of trains and how they have impacted Keighley.

In **DT** this half term we will be making torches linking to our science unit.

Science

In **Science** this half term we will be learning about electricity. We will look at how electricity is made, how to keep safe around electricity and what conductors and insulators are.

Computing

In **Computing** this half term we will be focusing on Repetition in Patterns. We will learn how to create a program by creating and repeating letters.

Mathematics

In **Maths** this half term we will be learning about decimals.

In our **Arithmetic** lessons we will be consolidating our times tables and division facts up to 12x12 and applying this to other times table and division facts.

In our **Problem Solving** lessons we will be focusing on reasoning based questions and how to structure our answers to be mathematically correct and coherent.

RE

In **RE** this half term we will be focusing on the Pentecost. Our big question is: When Jesus left what was the impact of Pentecost?

Values

In **Values** this half term we will be learning about **Compassion**.
