

Half Term Curriculum Overview

Year 6 Spring 1

English

In **English** this half term, we will be writing a letter of complaint and an alternative story ending. During the reading phase we will be focusing on SATs style questions for retrieval and inference. In our toolkit phase, we will learning the difference between active and passive voice, figurative language and commas to avoid ambiguity.

Physical Education

In **PE** this half term we will be learning all the techniques and skill in hockey.

Music

In **Music** this half-term, we will learning about World War 2 themed music.

Geography and Art

In art, we are focussing on John Piper and his work on the Blitz landscapes. Children will use some of his techniques to recreate the landscapes.
In geography,

Science

In **Science** this half term we will be learning about electricity. Children will be building on from their learning in year 4. They will construct simple series circuits, to help them to answer questions about what happens when they try different components, for example, switches, bulbs, buzzers and motors. They should learn how to represent a simple circuit in a diagram using recognised symbols.

Computing

In **Computing** this half term, we will be focusing on spreadsheets.

Mathematics

In **mathematics** this half term we will be learning about fractions decimals and percentages. Throughout the term, we will be consolidating our times tables and division facts through our KES tasks.

RE

In **RE** our big question is What does it mean for Muslims to follow God? Children will understand what the five pillars mean to Muslims and how they put their beliefs into actions. They will also be learning about how the Qu'ran was revealed to the Prophet Muhammed.

Values

In **Values** this half term we will be learning about Peace.
